Restore Your Smile at Nunawading Denture Clinic

Teeth play a significant role in your body, which is why our Nunawading denture clinic provides quality services. Your teeth enhance your smile, straighten your face, make it easier to chew and speak, and contribute to your overall health. Our qualified and highly experienced dentist provides quality and comfortable dentures to replace missing teeth. We are the team for you, whether you have lost all or just a few teeth. You could lose your teeth due to an accident, dental complication, or genetic condition. Fortunately, all is not lost. Our team will replace your teeth, allowing you to lead a normal life.

Abstract Arch Denture Clinic specialises in implant retained dentures, full and partial dentures, repairs, relines, and emergencies. We pride ourselves on our personalised service, using only the highest quality materials and the latest technology to create dentures. We are independently owned and acknowledged by every health fund in Australia.

Denture Services at Our Nunawading Clinic

Do you think dentures are the solution to your missing teeth? Please visit our denture clinic in Nunawading for a consultation. Our dentist will listen to you and determine whether dentures will help you. We are a friendly team providing dentures and dental prosthetics in a comfortable environment. Our dentist, Gregory, has over 30 years of experience. So, you can rest assured that you are dealing with a professional. Gregory is qualified to offer the following services;

- Full, partial, and implant-retained overdentures
- Relines and repairs
- Clasp adjustment
- Sports mouthguards
- Denture easing and alterations

You no longer have to be self-conscious when speaking or eating. Our team will replace your teeth and help you regain your confidence. If you have dentures and get involved in an accident, you can visit us for emergency repair services. We will also help you care for your dentures by providing cleaning services.

Specialised Services at Our Nunawading Denture Clinic

The leading denture clinic in Nunawading is a short drive or a call away. We have an experienced team dedicated to restoring your smile. Our process begins with an initial consultation with our dentist. We will listen to you and work together to develop a treatment plan. Our dentist will use modern technology to construct your dentures. We custom-make the dentures to ensure they feel comfortable in your mouth. We will then set a time for the fitting process.

Our dentist will educate you on caring for your dentures to ensure they serve you for an extended period. We also offer ongoing quality check-ups to ensure your dentures serve their purpose. We promise that you will be safe regardless of the denture services you are looking for. We will make you feel at home and explain your treatment options. Let us help you improve the quality of your life.
